

Exceptional closure of La Charpenterie

Considering the current context of the Coronavirus, the Minister has ordered the closure of companies. Therefore, the production plant and the physical offices of La Charpenterie will be closed.

This situation is good despite us. However, we have taken the necessary measures to keep our telephone line operational for your estimate requests or any other questions. Your calls will be handled remotely, do not hesitate to leave us a message on the voicemail, your call will be answered as soon as possible.

We are sorry for this situation and will keep you informed of its development.

Thank you for your collaboration and your confidence.
